

You indicated either on your NSCC Admissions Application or Financial Aid Student Data Form that you do not plan to be a degree or certificate-seeking student at NSCC. Students must be Degree-Seeking in order to receive Federal Financial Aid. If you plan to seek an associate degree or certificate, please follow the steps below. If you do NOT intend to seek a degree, you will not be eligible for financial aid and do not need to follow these steps. **If you would like to speak with an Advisor before updating your major, please contact our Advising Center at advising@northweststate.edu or call 419-267-1390 to make an appointment with an Advisor.**

If you are a Former College Credit Plus Student

If you are currently enrolled in CCP and plan to continue your education at NSCC after high school graduation, please connect with the office of admissions at 419-267-1320 or admissions@northweststate.edu to complete your next steps and become eligible for financial aid.

If you are a Guest Student or Transfer Student

Please complete the following if you are interested in pursuing an associate degree or certificate:

Click "Apply Online" on the NSCC Admission Application website: <https://northweststate.edu/apply-now/>

NSCC Application for Admission

Are you a new college student, transferring from another college or university, or a guest student? If you answered yes, click on the [Apply Online link](#) to complete your application.

If you are a Former Student that has either an Inactive Major or an Undecided Non-Degree Major

Please complete the following if you are interested in pursuing an associate degree or certificate:

Change major

Using your NSCC email:

- Send an email to registrar@northweststate.edu including your student ID, full name, and "change my major to _____"
- The Registrar's office will make the change and confirm receipt.

If you are an Electrical Apprentice, Journeyman, or Ironworker Student

If you are interested in pursuing an Associate of Technical Studies degree, please contact the IBEW site coordinator, Vickie Rhodes, at vrhodes@northweststate.edu or call 419-267-1338 to discuss the ATS Contract,

Joint Apprenticeship Training Committees Sites

NSCC is a proud partner of the Joint Apprenticeship Training Committee (JATC), offering apprenticeship training in the electrical field at locations throughout Ohio. Students must be accepted into the program and can apply apprenticeship credits towards completion of an associate degree. For more information, please contact Vickie Rhodes at vrhodes@northweststate.edu or 419.267.1338.

If you do NOT intend to seek an associate's degree or certificate at NSCC, you will not be eligible for financial aid.
