Wilmington College Articulation Agreement Information

Preface:

This Agreement is effective July 27, 2023 between Wilmington College (WC) and Northwest State Community College (NSCC):

WHEREAS, WC is interested in enrolling qualified students from NSCC who desire to pursue a B.S. degree in Agricultural with an Agronomy Concentration.

WHEREAS, NSCC is interested in offering its students the opportunity to easily enroll in WC's accredited Bachelor of Science degree program.

THEREFORE, each being read, able and willing, both parties agree to affiliate their educational resources under the following terms and conditions:

Article One

General Covenant

It is understood and agreed by both parties that this agreement is to serve the purpose of enhancing higher education opportunities in Agronomy for students of NSCC and WC.

Article Two

Both parties agree to the following statements:

Section A: Admission Requirements

1. The WC B.S. degree in Agriculture with a concentration in Agronomy will be open to Northwest State Community College students who have completed NSCC's Associate of Applied Science in Agronomy.
2. Applicants will submit the following documents for admission to Main Campus:
 - a. Application for Admission
 - b. Official college transcript(s) from NSCC and all other institutions in which the student was enrolled.
3. Students wishing to Transfer to WC from NSCC under this agreement must have a cumulative grade point average of 2.0 or higher.

Section B: Payment of Fees

1. Both Parties agree that students will pay directly to the institution in which the student is enrolled the same tuition and fees as the other undergraduates of that institution.

Section C: Financial Aid

1. WC will be responsible for all financial aid processing, disbursing, record keeping, and distributing of financial aid refunds during the student's enrollment at WC. During this academic period, WC will monitor satisfactory academic progress and eligibility in financial aid programs.
2. Northwest State Community College will be responsible for all financial aid processing, disbursing, record keeping, and distributing of financial aid refunds during the student's enrollment at NSCC. During this academic period, NSCC will monitor satisfactory academic progress and eligibility in financial aid programs.
3. Each institution will offer its own scholarship/loan program during the time the student is enrolled in that institution.

CURRICULUM TRANSFER AGREEMENT

Earn your associate degree from Northwest State Community College and then transfer seamlessly to Wilmington College to earn your bachelor's degree.

*Northwest State Community College,
Agronomy, Associate of Applied Science*

to

*Wilmington College
Agriculture Major with Agronomy
Concentration, Bachelor of Science*

Section D: Academic Policies

1. Each institution will maintain full academic control over the curriculum of students enrolled on each respective campus.
2. Each institution will keep a permanent academic record on each student enrolled in the respective institution through this collaborative agreement and make such records available to the institution in which the student is enrolled in course work. This policy is made in accordance with the Family Education Rights and Privacy Act (FERPA) of 1974.
3. See pages 1-2 of this agreement for Wilmington College and Northwest State Community College Curricula.

Article Three

Miscellaneous:

Section A: Marketing

1. Both WC and NSCC agree that any and all marketing strategies, activities and publications related to the affiliation will be mutually approved by both institutions before strategies, activities, and publications are implemented.
2. WC will supply marketing materials to NSCC so that NSCC can make these materials available to NSCC students in order to publicize and market this articulation agreement.
3. WC requests that NSCC supplies WC a list of recent graduates from the NSCC Agronomy AAS program (going back to the last three years of graduates) along with contact information of those graduates for the purposes of WC engaging in recruiting activities.

Section B: Amendment

1. It is agreed by both parties that this Agreement may be amended from time to time by mutual written agreement signed by both parties.

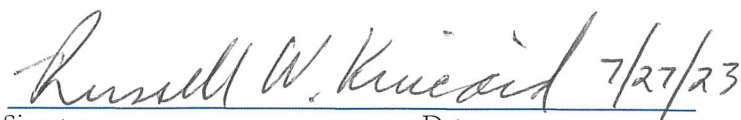

Section C: Termination

1. Both Parties agree that this agreement shall continue for a period of four years

Section D: Joint Coordinating Council

1. To facilitate overall cooperation for success implementation of this Agreement, each party shall designate members of a Joint Coordinating Council who shall meet and confer at least annually. The President or his/her designee of each institution will serve as contract administrator of this collaborative agreement.
2. In matters of major policy, the channel of communication shall be between Dr. Russell W. Kincaid, Interim Assistant Dean of the Faculty at Wilmington College and Kayla Miller, Agricultural Studies Faculty Member.

This agreement will expire four years from date of signature.
