Letter from the Foundation Chairman...

On behalf of the Northwest State Community College Foundation, we thank you for being part of honoring our 2021 NSCC Making a Difference Award recipients.

We are fortunate that in our area, we are filled with such good people, organizations, and companies - just like this year's three recipients - who feel responsible for the needs of many in a personal and caring way without expectation, reward, or recognition. Northwest State Community College and Foundation understand that it is important to recognize the many that do so much, and we are delighted to honor the Individual Award to

Daniel Yahraus, Organization Award to Farm Bureau of Defiance, Fulton, Henry, and Williams Counties, and Business Award to Terry Henricks Ford & Chrysler Dodge Jeep RAM.

Over the past 11 years, we have honored 33 NSCC Making a Difference Award recipients, and each year I become more and more humbled listening to their stories and understanding that there are so many compassionate individuals who reside in Northwest Ohio. I would like to thank the many individuals and companies who helped support this event through sponsorships and gifts, which are helping provide **scholarships for students** attending this great institution.

Peter Beck
Chairman, NSCC Foundation Board

A Night of Gratitude: 2021 Green Carpet Event

The Northwest State Community College Foundation recently hosted its 11th annual Green Carpet Event in a partially in-person, partially virtual format. All proceeds raised from the event will go directly to **student scholarships**. A highlight of the evening was the presentation of the 2021 NSCC "Making a Difference Awards," which were created by the NSCC Foundation as a way to recognize and celebrate individuals, businesses, and organizations in the six-county area committed to improving their communities.

Farm Bureau of Defiance, Fulton, Henry & Williams Counties

Farm Bureau of Defiance,

Fulton, Henry, and Williams Counties has been serving the area for over 100 years in a variety of capacities. One major focus is education to students, grades 3 and up. Agriculture is one of the driving forces in our region's economy, and Farm Bureau has been at the forefront by providing children's ag books to every public school library in the four-county area. This helps provide a greater understanding of agriculture to the next generation of potential farmers and ag-industry workers. Another area where Farm Bureau has excelled through the years is its passionate advocacy on behalf of family farms to local, state, and federal legislators.

Terry Henricks Ford & Chrysler Dodge Jeep RAM

Terry Henricks Chrysler Dodge Jeep RAM in Archbold opened in 1989 and has proudly served the community throughout its history. The commitment to service begins the moment a customer walks into the dealership, where they are treated with fairness, courtesy, and respect. Service to the community is also big with Terry Henricks (both the individual and the

While also a virtual event, the NSCC Foundation rolled out the Green Carpet for our award recipients and their families on campus.

business). Terry and his team not only support numerous community endeavors with their checkbook, but also by rolling up their sleeves and putting the work in to make the community better. Schools, festivals, sports, and racing teams alike have received support over the years from Terry Henricks.

office, and that is a credit to Dan and his dedication to serving others. Dan is a proud father, grandfather, and a devout Christian, serving his church and community.

A special recap program of the NSCC Green Carpet Event is now available on the WNHO TV26 YouTube channel (youtu.be/lyIBMsfnJd0).

Dan Yahraus (Bryan Chamber)

Dan Yahraus lives and breathes Bryan and Williams County, and he is passionate about sharing the history of the area and the city's Chamber of Commerce. His nominee noted "Dan spends a lot of time investing in community leaders and educating them with history, public resources, and community involvement." One of the areas where Dan has made the most impact in the community is through the Leadership Williams County classes. Many people who have gone through the class have eventually run for public
