

Letter from the Foundation Executive Director...

As the leaves begin to change and a new academic year unfolds, I'm excited to share the latest updates from the Northwest State Foundation. Your unwavering support continues to fuel our mission of changing lives and strengthening communities. As you will see in this newsletter, we have been busy raising awareness and needed scholarship dollars in the communities, and reconnecting with our valued alumni community as well.

Your generosity has a profound impact on our students, allowing them to enjoy the power of an NSCC education. We're grateful for your partnership in shaping the future of Northwest State Community College.

Sincerely,
Robbin Wilcox

On October 9, NSCC held its annual Chili Cook-Off. Eight teams competed for the coveted Golden Ladle, and ultimately Honest Abe's Chili won the People's Choice award and took the win.

We appreciate Jenny Thome, John Mueller, Judy Thrasher and Bob Kroeger (NSCC alums) serving as guest judges in the event.

As always, proceeds from the Chili Cook-Off directly benefit the PATH Center in Defiance. This year, the event raised \$1,120!

COMMUNITY RESOURCE FAIR

Concerned about juggling school, work, family and financial responsibilities?

There are many community resources available to help keep you balanced! Stop by for some great information from local resources who want to help you! This event is at NSCC.

Visit the Atrium from 11-1 on February 5, 2025.

ALUMNI NITES AT THE FAIRS:

Earlier this summer, the NSCC Alumni Relations team visited the Fulton and Williams County fairs. The fairs provided a great atmosphere to welcome NSCC alumni, reconnect with graduates and their families, and say "Thank You" for choosing Northwest State. We greatly appreciate seeing you at the fairs!

Van Wert Campus Golf Outing

NSCC hosted a golfing fundraiser at Hickory Sticks Golf Club on September 13th this year. Over 100 people showed up for the event, which was sponsored by Danfoss, and the weather was perfect.

"We are giving all kinds of awards away," said Robbin Wilcox, who organized the event. Wilcox is the Executive Director of the NSCC Foundation. This is the fourth time the tourney has been held here at Hickory Sticks, and it has grown from 13 teams (in 2021) to 27 teams this year.

"We use all of the monies that we've raised to give scholarships," said Jon Tomlinson, Dean of the Van Wert campus. "We're very excited to open the Van Wert campus."

It took a team to make the campus dream a reality. "In 2014 Van Wert was added to our service area," said NSCC President Dr. Todd Hernandez, who participated in the outing. The biggest winners of the day were future students at the Van Wert satellite campus. "It's all about fundraising today," said Wilcox. "All that money, 100 percent of it, goes to our Paulding and Van Wert and Putnam county students."
