Success Center

Testing and Tutoring Services

Other Services offered by the Success Center:

Connect learners to resources to help them be successful.

Help learners continue success in their classes through the semester.

Guide learners through the Academic Appeal process if on Suspension or Probation.

If you have any questions about these other services, please contact the Success Center Coordinator at 419-267-1457.

Testing Services

We offer general and makeup testing services.

You will schedule your testing appointment with the Success Center.

You will have the Make Up Testing Form filled out by your instructor.

It is the instructor's discretion as to whether makeup testing is allowed.

Tutoring Services

We offer tutoring services in a variety of ways:

- walk-in style
- by appointment
- small group
- one-on-one
- online

Walk In Tutoring

We have tutoring services located in the Learning Lounge at the Success Center in room A103.

Writing, Math, Business, and Computer are just a few of the subjects that will have walk in hours in the Learning Lounge. Science tutoring will typically occur in the lab classes found in the E Building.

Hours may vary per semester and can be found on our website NorthwestState.edu/Success-Center

Tutoring by Appointment

Tutoring can be made available by appointment.

To schedule an appointment for tutoring services, please contact the Success Center by email success@northweststate.edu or phone 419-267-1447.

Options can be online via ZOOM or in person.

Small Group and One-on-One tutoring services will need to be made by appointment.

e Tutoring

Northwest State Learners have access to online tutoring through OhioLink. The services can be for a Group, One-on-One, or Drop-in style.

Access eTutoring in your myNSCC student portal under the STUDENT tab on the left and then TOOLS&RESOURCES in the upper right or scan the QR Code below.

Select eTutoring and then Sign Up with your NSCC student email and create a password the first time you use eTutoring.

To use the services for Writing select Submit Written Assignments in the upper right.

To use other subjects select Find Services in the upper left and then use List View or Schedule View to find the subject and available tutor time that you want.
